Our land acknowledgement:

East Lynn Park is on the treaty lands and territories of Mississaugas of the Credit, the Anishinaabe and the Haudenosaunee. By acknowledging the land we stand on, we are reminding ourselves of our human connection and responsibility to care for the land and its people. We reflect on the history of colonialism and its impact in our community and firmly commit ourselves to listen, learn and speak the truth on a path to reconciliation.

Action this week: Read *21 Things You May Not Know About the Indian Act* by Bob Joseph (available at TPL or for purchase at Old's Cool General Store)
